Street Clean Up Spring 2015

Big/Little Reveal!

Thanksgiving Progressive

Hello CK Alumnae!

We hope this September finds you well and looking forward to all things fall. It has been lovely to be back at Truman, reunite with smiling faces, and hit the ground running with plenty of service and social events! In the first few weeks of school we've had the opportunity to catch up with our friends at Manor Care for Uno on Monday nights, as well as bowling, a car show, and an ice cream social. We've also continued our weekly mentoring sessions with the middle schoolers here in Kirksville, and are about to start a few new projects, such as walking kids from Ray Miller Elementary over to the middle school in the afternoons, and providing after-school childcare at the Crossing church. Being youngsters ourselves not too long ago, it is such a privilege to spend time with the kids in our community and be a positive, fun part of their day. A few upcoming service and fundraising projects

It was so hard to see our seniors go!

include volunteering at the annual NEMO triathlon, selling caramel apples at a football game (go Bulldogs!), and working the JDRF InspireOne/Kids' Fun Run. On the social side of things, we are excited to have our dads and other important men in our lives come visit us soon for Dad's Day! We'll be out at Thousand Hills doing some hiking, yard games, and grilling.

And most importantly, because this involves YOU lovely ladies, Homecoming is coming up fast! It will be **Saturday, October 10th**, and you all are invited to join in the fun! We would love to see familiar faces as well as get the chance to connect with Cardinal Keys from before our time at Truman! Please see the other attachment along with this email for more information regarding Homecoming and all the fun events we'll have that day!

Lastly, we have a couple of updates to keep you in the loop with Cardinal Key throughout the year! We have recently joined Instagram! If you have an account, feel free to follow us: @cardinalkey_tsu. Additionally, in the past week we have created a Cardinal Key blog! Each month, two or three members will be contributing an entry, whether it be something they shared during Virtue Spotlight, a new cause or charity they are passionate about, or simply something that has been on their heart. We are also looking for any alumnae who would be open to contributing their thoughts and reflections on life after college, so if you are interested, please email cardinal_key@yahoo.com for more information! And if you would simply like to read our blog, please go to cardinalkey.wordpress.com.

This past school year has been an incredible time for Cardinal Key, filled with growth, learning, friendship, and, as usual, karma. We inducted eleven new members in April, and they have so quickly taken impressive leadership roles within our organization. We simply cannot imagine life without them! The most amazing thing about CK, as you know, is that it tends to find you at just the right time in your life, and provides the people you need most to uplift, support, and teach you. We are so honored to share such a unique network with hundreds of outstanding women since 1934. Once a CK, always a CK!

We hope to see you soon for Homecoming! CK Love,

The Women of Cardinal Key
