Position Spotlights

Meet your president, vice president, and social chair!

Emily Stiles – Vice President

Emily is a senior Exercise Science major and Spanish minor who plans on becoming a dietitian. She enjoys planning our semesterly Retreat with her committee and finds it rewarding to plan an event that fosters community. Her favorite Cardinal Key memory was the Christmas party we threw at Kirksville Manor Care Center. Singing (a capella) Christmas carols, playing games, eating snacks, and chatting with the residents was so fun!

Emma Baierl – Social Chair

Emma is a senior Biology major with a minor in Spanish for the Medical Professions. After graduation, she intends to go to medical school to become a doctor. Her favorite part of her position is growing closer to her CK sisters through the social events that she and her committee organize. She also loves how active her position enables her to be within Cardinal Key. Emma is very involved on campus, playing varsity volleyball as well as multiple medical and athletic organizations!

Haisley Windsor – President

Haisley is a senior Chemistry major with a minor in Biology. She intends on attending graduate school next fall to get a Ph.D. in Chemistry with the goal of becoming a professor. Her favorite part of her position is that she is able to work with every CK to help them reach their goals for their positions! Fall 2023 Retreat is her favorite CK memory, when members spent the night hanging out at alumna Kaeden's grandma's house. Haisley is also involved in Women in STEM, Alpha Chi Sigma, and Dr. Ostrowski's research lab.

This Month in CK

Our last few weeks of the Fall 2024 semester were jam-packed between preparing for finals and Cardinal Key activities! On December 4th we had our last General CK Meeting of the semester in which we reflected over the past semester with our Roses & Buds tradition. On December 5th we partnered with Blue Key to have a Purple Key Christmas party at Kirksville Manor Care, and had a great time celebrating the holidays with residents and members of Blue Key. Our Purple Key Formal was held on December 7th and was winter-themed. We also held a Cardinal Key Study Session at Kirksville Brewing on December 8th, which was a blast! Lastly, on December 14th we had two CKs graduate: Emma Hulbert and Olivia Feibel. We are excited to see what the future has in store for them!

WE WANT YOU!: Alumna Rush Speaker

Spring semester has just started, which means that Cardinal Key rush is quickly approaching! We are looking for an enthusiastic alumna to speak about their experience in Cardinal Key and how it has impacted them as a person at our final night of rush on Saturday, February 22nd. **Please contact our Rush Co-Chairs Anna Hans (nh61735@truman.edu) and Stephanie Jones (lt77363@truman.edu) if you are interested.** Preference will be given towards speakers who can attend in-person, however those who would only be able to attend virtually are still welcome to reach out.
