Position Spotlights

Meet your activities fair co-chair and recording secretary!

LJ Johnson – Activities Fair Co-Chair

LJ is a junior pre-MAE English major, hoping to teach AP or Dual Credit English/Literature at the high school level. Her favorite part of her position is being able to represent CK, and spending time with sisters at the beginning of the semester while getting newcomers excited about our organization. Her favorite CK memory was working on the new CK banner with Rush Committee; she loved creating new memorabilia for our organization. LJ is also in Cantoria, a photographer for The Index, works at the Career Center, and is head of the new TruThriffs project (making professional and formal clothing accessible to students).

Sam Pratt – Recording Secretary

Sam is a fifth-year senior majoring in Music Therapy and Psychology. She is looking forward to starting her internship after next semester in preparation to get her board certification as a music therapist! Sam joined CK to further her interest in service-focused initiatives and to get more involved during her last years at Truman. Sam has loved her time in CK and looks forward to all the different CK events and service/social opportunities each week. In addition to CK, Sam is a member of the international music fraternity Sigma Alpha Iota and a Peer Mentor for the McNair Scholars Program.

This Month in CK

Cardinal Key has been busy during these first few weeks of the Spring 2025 semester! January 15th marked our first meeting of the semester. It was lovely to catch up with everyone after our long winter break. On January 29th, we participated in the Activities Fair. We had so much fun chatting with attendees about our organization and talking about our upcoming Rush! Sisters have also enjoyed visiting the Adair County Humane Society to show some love to the animals there. Cardinal Key rush is quickly approaching, and we are excited and ready to welcome new members into our organization. We cannot wait to give you further updates about our events!

WE WANT YOU!: Alumna Rush Speaker

Spring semester has just started, which means that Cardinal Key rush is quickly approaching! We are looking for an enthusiastic alumna to speak about their experience in Cardinal Key and how it has impacted them as a person at our final night of rush on Saturday, February 22nd. **Please contact our Rush Co-Chairs Anna Hans (nh61735@truman.edu) and Stephanie Jones (lt77363@truman.edu) if you are interested.** Preference will be given towards speakers who can attend in-person, however those who would only be able to attend virtually are still welcome to reach out.
