This Month in CK

February was an exciting month for Cardinal Key! From February 3-5, we tabled to publicize our upcoming rush dates as well as sell stickers as a fundraiser. It was great to talk to potential rushees while distributing fun stickers. Then on February 9 we held our annual Special Women's Day and Breakthrough TID (formerly JDRF) Auction in which we raised over \$500 for our philanthropy. On February 13th we celebrated Galentines at CK Sister LJ's house. It was such a fun and festive get-together! Lastly, we held rush on February 18-19 & 22. Our theme this year was 'Let the Stars Guide You Home'. Our alumna speaker was Haley (Wilson) Mefford and she highlighted our virtues beautifully to rushees. Getting to know all of the rushees was a blast, and we are proud to welcome 12 lovely pledges into our chapter! We are excited to see how they grow in their pledge season!
