# CK SPOOKY SEASON!!

October has been such an eventful and fun month for the Cardinal Keys! For starters, we had our Special Men's day where important men in our lives got to come up for the weekend for games, fellowship, and service! Then a little later in the month, we were able to participate in so many exciting things for Truman's homecoming (Shoutout to our amazing homecoming chairs, Abby Sauer and Hannah Gross for making homecoming such a fun experience for all the CKs!) On the Saturday of homecoming, we started off the morning by waking up super early together to help with the Kirksville 5K race registration. Then after that, we got to walk in the homecoming parade with the Blue Keys and had such a fun time singing chants and giving out candy. But the fun didn't end there; shortly after the parade, we had a tailgate where we were able to chat with each other, enjoy some snacks, and even reunite with some CK alumni! Finally, we ended all the homecoming activities with a super cute, super delicious dessert party where we each brought desserts to share and then just got to chat and relax after a hectic, but fun day. Aside from homecoming, we were also able to partake in some super awesome spooky season activities, like our Fall formal where we all dressed up in costumes (Thanks to our social chair Margo for planning the event!). And to top it all off, on the evening of Halloween we participated in "Trick or Treat, Save Your Sweets", where we went to different neighborhoods in the Kirksville area and asked for donations for JDRF and raised over \$900! (Thank you Amy, our JDRF chair, for organizing that!) Wow, we accomplished a lot in just 31 days! We can't wait to see what's in store for CK for the rest of the semester!

**Hannah Gross** is a junior biology major. Her favorite part about being co-homecoming chair was getting to

**Peggy Ceresia**, Pledge Class of 2013

"So many memories. Liz fostering and adopting Addie. Many CK weddings. Lip sync during homecoming. Homecoming as a whole. Spring break trip together. Secret CK sisters. All the snacks. Bachelor nights."

**Morgan (Schmitz) Miller**, Pledge Class of 2013

"There are so many 'favorites' thinking back to my time as a CK. I absolutely loved the service aspect of CK. My favorite service events were weekly UNO nights at Manor Care and my sweet adopted Grandmother Dortha who just adored all Cardinal Keys!"
