Hallie

Morgan

If possible please let us
know your current
address and your
Truman graduation
year!

Position Spotlight

Hallie Holst is our amazing Service Chair. She is a junior Nursing major with a minor in Disability Studies. On campus she is also involved in Student Government as the Academic Affairs Committee Co-Chair and the Nursing Student Association. Hallie's favorite part about being service chair is that she loves getting to work with a wide variety of people in the Truman and Kirksville communities to make the heart of what CK is thrive. Service is very close to her heart and she is honored that she gets to share that with the women she loves most.

Morgan is our wonderful Social Chair. She is a junior Biology major with a Spanish minor. On campus she is also a Delight leader, risk manager and former philanthropy chair of Tri Sigma, and a member of AMSA (a pre-med club). Morgan's favorite part of her position is planning decorations for events. Recently she planned the Purple Key formal and said it has been fun to be creative and work with her committee to find cute decorations to go with our theme of "baBy it's CKold outside!"

Alumni Spotlights

Ann Patterson

Year Initiated: 1971

Favorite CK Memory:

Being selected to be in Cardinal Key was such an honor.

Lisa Cushatt

Year Initiated: 2003

Favorite CK Memory:

She loved the Cardinal Key Retreats because they were a great way to take a break from school and be surrounded by laughter.

Erica Mbangamoh

Year Initiated: 2000

Favorite CK Memory:

The night her CK sisters knocked on her door and took her to Pancake City.

Katy Griner

Year Initiated: 2003

Favorite CK Memory:

Enjoyed the service project "beg an egg" as well as volunteering at Manor Care.

NOVEMBER

WHAT HAPPENED IN CK THIS MONTH?

Trick or Treat, Save your Sweets! Cardinal Key had such a fun time going through the neighborhoods of Kirksville "trick or treating". Many people were very generous and donated to our philanthropy JDRF. We raised quite a bit of money to help fund research so kids with Type 1 Diabetes can trick or treat on Halloween one day.

With the holidays quickly approaching, we decided to have a Service Night where we decorated and made holiday cards for Manor Care and hospitalized children. It was a fun night full of laughter and joy as we put our creative skills to the test. Along with making holiday cards, we also made cat toys for Field of Dreams. We have been volunteering a few times a week since the beginning of the semester at Field of Dreams where we clean and socialize with the cats.

We hosted our annual Fall Interest Party this month and we had such a great turnout. Jaden and Allison (our Rush Chairs) put together a great night full of service and information about our lovely Cardinal Key.

Our fall semester formal, "Baby it's CKold Outside" was such a fun time! We loved dancing the night away with each other and sharing in the fun with Blue Key. Many thanks to the Kirksville County Club for such a wonderful space for our event! Also, shout out to the Social Committee for making the banner and balloon arch to take pictures in front of.

Before heading off for Thanksgiving break, we held a CK Friendsgiving! Every CK brought something to share with everyone and can we just say we have a collection of wonderful chefs. We had dishes that ranged from homemade mac and cheese to rotisserie chicken to homemade pie. It was a great evening full of laughter, good food, and great stories.

Happy Thanksgiving from Cardinal Key!
